More Than a Fan. A Part of the Team.

# THE NIL BUNDLE PROGRAM: ELEVATE YOUR TEAM SPIRIT.

Unlock a powerful new way to connect with your community while directly supporting your student-athletes.

## Transforming Fan Passion into School Pride

**Elevate School Visibility:** Showcase institutional pride through officially branded, high-quality merchandise.

**Strengthen Engagement:** Provide tangible products that foster a deeper connection.

**Support & Highlight Talent:** We randomly insert athletes' names, images, and likenesses into a set number of bundles. This creates a viral "chase" factor.
